	16 – 17 in	17 – 18 in	18 – 19 in	19 – 20 in	20 – 21 in	21 – 22 in

PUTTING ON THE OUTER SHELL

- Line up the front hook-and-loop fasteners and flip the rest over your shoulders.
- Make sure it sits firmly on your shoulder.
- Close the buckles on both sides adjusting them to the length for a tight fit.

MAINTENANCE

- Handwash the vest. Don't put it in a dryer, let it air dry.
- For removing dirt or stains on the outer shell, use a soft wet towel without using detergents.
- When not in use, store the pad in a dry and airy place.

MATERIAL DESCRIPTION

- Padded vest: molded polyurethane foam, nylon/spandex mesh fabric
- Outer shell: carbon thermalplastic/Kevlar (carbon pad) or polyethylene (poly pad)

WARRANTY

- For all 2inOne items, the warranty is 2 years.
- A possible warranty claim is requested with proof of purchase from the respective dealer, who then clarifies the warranty service with the manufacturer.
- The carbon shell consists of 8 separate parts. In case of damage, it is up to the manufacture to only replace the damaged parts or the whole shell.

WARNINGS

- No shoulder pad can offer total protection against injuries.
- This shoulder pad does not assure a specific attenuation of impacts.
- Don't use the shoulder pad for any other sports than American football.
- Wrong use of the shoulder pad would decrease the level of protection.
- If you experience any pain in your shoulders, a physician must be consulted prior to using the shoulder pad.
- Don't use the shoulder pad if any functional part of it is damaged or broken.
- Any part of the damaged carbon 2inOne pad must be repaired with original parts from your authorized dealer.
